“Less shoe, more
natural foot movement”

www.ddstep.hu

D.D.STEP is a high-quality children shoe brand, founded by a 3rd generation shoemaker family, started from men and women shoes, finally arriving to kids shoes. It was a combination of invention and craftsmanship that has remained at the heart of what we do.

And whilst now, every pair of our shoes begins with a last which was carved by hand, we also use advanced construction techniques, which help us deliver the perfect walking experience for the future master's of our World. Each step of a child is our responsibility. Each decision, each shoe we make today, decide how the world will be and how the kids will grow up. With our iconic 3D STITCH construction, which uses 70% less chemicals in production, we aim for a better world and better health, all the while without compromising in comfortability and quality. These qualities are the ones why we created the brand D.D.STEP.

Our shoes are entirely developed and designed at our own facility. Our expert team of designers and technicians use their creativity and knowhow to create the best D.D.STEP shoes.

D.D.STEP egy 3. generációs cipészcsalád által alapított, kiváló minőségű gyermekcipő márka, a gyermekcipőig vezető út férfi és női cipők gyártásából indult ki, végül eljutott a gyerekcipőig. Az újítások és a mesterségbeli tudás kombinációja volt, amely továbbra is tevékenységünk középpontjában áll.

És bár most is minden cipőnk gyártása egy kézzel faragott falábbal kezdődik, a fejlett technológiák is nagy szerepet játszanak a cipők készítésében, segítve minket abban, hogy tökéletes sétaélményt biztosítsunk világunk leendő mesterei számára. Egy gyermek minden lépése a mi felelősségünk. Minden döntésünk, minden cipőnk, amit ma készítünk, meghatározza, hogy milyen lesz a világ, és hogyan nőnek fel benne a gyermekek. Ikonikus 3D STITCH konstrukciónkkal, amely 70%-kal kevesebb vegyszert használ fel a gyártás során, egy jobb világot és jobb egészséget kívánunk elérni anélkül, hogy a kényelemben és a minőségben kompromisszumot kellene kötnünk. Ezek a tulajdonságok azok, amelyek miatt létrehoztuk a D.D.STEP márkát.

Cipőinket teljes egészében saját létesítményünkben fejlesztettük és terveztük. Tervezőkből és technikusokból álló szakértő csapatunk kreativitásukat és tudásukat felhasználva alkotja meg a legjobb D.D.STEP cipőket.

Our shoes with AQUA-TEX are designed with a premium construction that is built to withstand any outdoor activity. The durable, lightweight membrane provides maximum protection against water and moisture, while also ensuring breathability all year round. Whether your child is hiking, biking, or simply playing in the rain, our shoes with AQUA-TEX construction will ensure that their feet stay dry, comfortable, and protected. With the added convenience of our easy-to-adjust velcro and stylish design, your child will be the envy of the playground!

D.D.STEP Our Shoes

ICONS

AQUA-TEX

Stay dry while allowing kids' feet breathe. Perfect for all-weather play, and outdoor adventures.

SHOCK ABSORPTION

Protect your little one's growing feet with our shock-absorbing insole. Our carefully crafted designs redistribute impact forces, reducing the risk of injury and ensuring comfort with every step.

ANTI-SLIPPERY OUTSOLE

Let your child adventure with confidence and security! Our kids' shoes with anti-slip outsoles offer superior grip and traction, keeping your little ones safe and steady on their feet in any condition.

REMOVABLE INSOLE

Give your child's feet the best fit possible with our kids' shoes featuring removable insoles. Easily swap out for the perfect fit or orthotic support, delivering optimal comfort and protection for growing feet.

ZIPPER

Getting ready has never been easier! Perfect for busy little ones, the kid-friendly design lets your child step into their shoes with ease, saving you time and energy.

WARM LINING

Stay dry while allowing kids' feet breathe. Perfect for all-weather play, and outdoor adventures.

3D STITCH TECHNOLOGY

Advanced 3D stitching technology makes our kids shoes not only durable and supportive, but also super comfy! The seamless design creates a soft, flexible shoe that adapts to your child's feet, giving them a perfect fit.

THERMO LINING

Ensure your child's feet stay warm and toasty in the coldest of temperatures (5C to -20C) with our kids shoes featuring thermo lining. Perfect for winter fun and adventures, our shoes keep little feet comfortable and cozy!

LEATHER UPPER AND LINING

Elevate style while also providing exceptional quality and durability. The premium materials ensure long-lasting wearability and unparalleled comfort for your little ones!

ERGONOMIC INSOLE

Our kids' shoes with ergonomic insoles offer the perfect balance of support and comfort for growing feet. Designed with proper alignment and arch support, our shoes keep your child's feet safe and healthy all day long.

GLOW IN THE DARK

Illuminating in darkness, enhancing visibility and style for nighttime fun.

WATER REPELLENCE

Providing extra protection from rain. Recommended to use D.D.STEP rain & stain protector after several uses.

REFLECTIVE

Reflective material adds a touch of safety and flair, ensuring shine bright and stand out during nighttime adventures.

LED LIGHTS

Illuminating night adventures, ensuring visibility and adding flair with colorful lights for a fun experience.

QUICK DRY

Make a splash with our quick-dry shoes! Perfect for any water activities, the fast-drying technology ensures that your child won't miss a beat, and their feet will stay cool and dry during any hot-weather adventure!

LIGHTWEIGHT

Say hello to happy little feet with our lightweight kids shoes! Built with a featherweight outsole, your child can hop and skip around with ease, and parents can appreciate a lighter load in their bag.

100% COTTON

Natural, comfort and coolness all in one! 100% cotton upper, the ultimate in comfort and nature! They are perfect for any little fashionista looking for a natural yet fashionable addition to their shoe collection.

BAREFOOT

Be wild and free with our barefoot shoes! Created to mimic the feeling of walking barefoot, Minimal structured, no stifferener, zero drop sole. Your little one's feet will walk easy, while they explore nature and play!

SUN REACTIVE

Shoes that party in the sun, transforming into funky colour-changing sidekicks.

Rain & Stain Protector

NANO Technology

Help waterproof and protect everything from shoes, coats and bags. Suitable for leather and textile.
